

HEALTHY MASK

- It is made of 3 layers of fabric.
 - With nose wire.
- It fits the face completely and covers the nose and mouth thanks to its special design.
- The outer layer is 100% cotton fabric and 2 layers white cheesecloth is used on the inside.
- Since dyed and synthetic fabrics can damage the lungs by breathing and cause allergic reactions, cheesecloth is especially preferred.
- It does not contain chemicals such as nylon and adhesive. It is natural.
- It can be easily used by everyone, including the old, young and children.

PRACTICAL MASK

- Mask and scarf together
- The mask does not need to be carried on the hand, wrist or shoulder.
- Mask elastic adjustable.
- Reflector fabric is used on the back. It allows the user to be noticed in the dark.
- It is a sporty product.

**3 PLY COTTON HPEE
FABRIC MASK****ECONOMICAL MASK**

- Wash and wear.
- No need to buy new masks every time.
- It contributes to the household budget.
- It is economical and ergonomic.

ECO FRIENDLY MASK

- It can be washed and used many times.
- Since it is not disposable, it does not pollute the environment.
 - It can be recycled because it is produced from cotton fabric.
- It is an eco-friendly friendly product.
